Try New Recipes

INGREDIENTS

Do you cook with as many ingredients as some of our most creative contributors?

Take a look at the left-hand chart and see! If you're interested in trying new techniques, click the 'Try New Recipes' tab above and follow the instructions there.

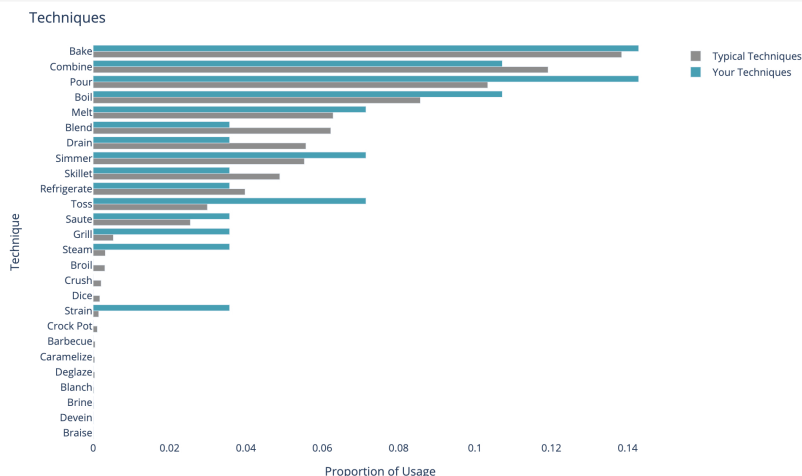

Your Most Used Ingredients

TECHNIQUES

Have you tried as many different techniques as you'd like?

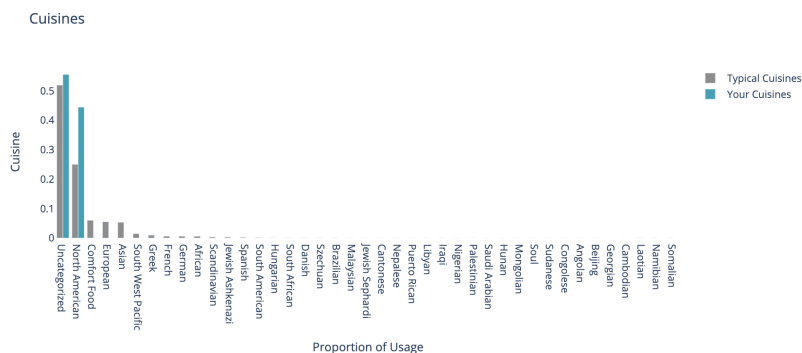

Take a look at the histogram and see if you've tried as many different techniques in the kitchen as our typical user! If you're interested in trying new techniques, click the 'Try New Recipes' tab above and follow the instructions there. 'Try New Recipes' tab above and follow the instructions there

CUISINES

How often do you try different cuisines?

Take a look at the chart on the left, and see if you've cooked as many different cuisines as our typical user! If you're interested in trying new cuisines, click the 'Try New Recipes' tab above and follow the instructions there.

COMMUNITY

Are you just like others in the various communities of users at food.com?

Take a look at the graph and see how you fit into the network of users on food.com! The darker circles represent communities which you're a member of. If you're interested in getting outside your bubble, click the 'Try New Recipes' tab above and follow the instructions there.
